Background and Specifications

On May 24, 2011, ENSREG, including the European Commission, reached a consensus on the scope and modalities of the "stress tests". At its meeting on October 11, 2011, ENSREG agreed upon a procedure on peer reviews of "stress tests" as well as on a working paper on the transparency aspects of EU "stress tests".

Joint Statement of ENSREG and the European Commission on Stress Tests and Peer Review Process on 26 April 2012
