

Statement following the ENSREG Conference on Nuclear Safety 2013

European regulators seek continued improvements to nuclear safety

The ENSREG Conference on Nuclear Safety 2013 in Brussels brought together almost 350 people including national regulators, NGO's, licensees, utilities and academics who took part in discussion sessions during the event.

This 2-day event (11-12 June) gave the opportunity to give an overview of main initiatives / actions carried out by ENSREG and to discuss forthcoming challenges.
