 - Spent fuel, decommissioning and radioactive waste management
 - EU Strategy - the role of nuclear energy
- *4th Session:* Emergency preparedness and response
- *Closing Remarks*

Overarching themes

- **Lessons learned from Fukushima**
 - Implementation and integration
- **Europe - a proactive role in nuclear safety**
 - EU stress tests and follow-up
 - Revised Nuclear Safety Directive
 - Contribution to Vienna Declaration
 - Topical peer reviews and other tools
 - Waste management programmes
- **Global/international dimension - widening perspectives**
 - Speakers from South Korea, China, Argentina, US

The slide features a decorative background of stars. On the left, there is a vertical blue bar with a gradient, containing several light blue stars of varying sizes. The main white area of the slide is decorated with a diagonal line of five light grey stars, starting from the top left and moving towards the bottom right. The text 'Thank you!' is centered in the white area.

Thank you!
